R U Adventurous??? Come join an adventure in the art colony of Laguna Beach. Known for its artists – we will capture some of the sites and views of Laguna. Come join us. You can practice our G12 skills (or other point and shoot – or if you prefer bring your DSLR).

The “Master of the Picture Perfect Postcard” will take us to some of his secret locations, give us special tips, talk about composition, exposure and lighting. He will also answer our questions and provide an enjoyable adventure for everyone attending. Make the pictures you take “keepers” without laboring away on the computer! Go to www.wghartshorn.com to see William’s biography, gallery and other upcoming workshops www.PhotographicAdventurers.com. This is sure to be a fun filled and unique Adventure.
