Dec 31, 2015 - Jan 1, 2016

R U Adventurous? If so, join a fun group for a Photographic Adventure. We will be going to the Rose Parade – this year's Theme is "Find Your Adventure". Very appropriate for our group.

We have tickets for the Grand Stand seating – just below the KTLA broadcast booth. And we plan to stay New Years eve in the Pasadena area to celebrate and avoid the drive New Years Morning. So come out and join us.

William Hartshorn will give us special tips, talk about composition, exposure and lighting, answer our questions and provide an enjoyable adventure for everyone attending. Whether you are a Beginner and/or Advanced – you are always encouraged to take advantage of an enjoyable photo adventure with Will. Make the pictures you take "keepers" without laboring away on the computer! Go to www.wghartshorn.com to see William's biography, gallery and other upcoming workshops www.PhotographicAdventurers.com.

Make your reservations with us early. Limited seats and reservations. This is sure to be a fun filled and unique Adventure.
